Page 20, line 19, INSERT New Finding of Fact No. 50:

“During the hearing Verizon’s witness testified that the Company has no current plans to increase rates. However, the Commission is not satisfied with this ambiguous statement of intent and believes that it is in the public interest to prevent increases in basic local exchange rates (residential and business) offered by the surviving entity within its ILEC territory for a period of five years.”

Page 22, line 24, INSERT NEW ORDERING PARAGRAPH:

“IT IS FURTHER ORDERED that the surviving entity shall not increase basic local exchange rates (residential and business) within its ILEC territory for a period of five years from the effective date of this Order.”

Make all confirming changes.
